

LYSA Reschedule Policy

Reschedule Coordinator: Alison Johnson; alisjohnson@yahoo.com

Weather Related Rescheduling

1. *For In-House games (instructional, passers, wings)*, if a game or games are cancelled due to bad weather, or if the prescribed fields are closed for any reason, the Reschedule Coordinator shall consult the weekly schedule and the Referee Coordinator to determine the best possible date or dates to make up the missed game or games.
2. The Reschedule Coordinator shall then notify the home and visitor coach of the date and time of the reschedule.
3. *For Traveling teams (strikers, kickers, minors and seniors)*, the policy is as follows:
 - a. The Home coach shall contact the Visiting coach and together they shall submit (through the home coach) a list of three (3) possible dates.
 - b. The Reschedule Coordinator will consult with the Referee Coordinator to determine the date and time of the reschedule.
 - c. The Reschedule Coordinator will contact the Home coach and inform him/her of the new game date (The Home coach contacts the Visitor coach with this new date).
 - d. If the requested dates do not work for some reason, the Reschedule Coordinator will contact the Home coach to ask him/her to begin the process again. **These dates should be within 10 days of the original game date.**
4. Should the two coaches not come up with alternate dates within 10 days, then the Reschedule Coordinator will assign a date for them.
5. If there is a discrepancy of opinion between Coach and Reschedule Coordinator, a protest may be pursued with the LYSA District Representative, whose decision is Final.
